Paqui Kelly, Co-Founder and Board President of Kelly Cares Foundation, will be honored as our “Woman of Hope” at the eighth annual Bridge of Hope@Hannah’s House luncheon May 10.

“Paqui’s passionate commitment, to not only our organization but also many non-profits in our Michiana area, makes her quite deserving of this recognition,” said Pam Austin, Hannah’s House Board President.

In 2012, the nationally recognized Bridge of Hope program was formally incorporated as part of Hannah’s House programming in continuing care for our moms and babies. Bridge of Hope@Hannah’s House strives to eliminate homelessness for women and children in the Michiana community. Using a church-based support model, trained mentoring groups work with moms and their babies to build basic life skills ensuring permanent housing and financial literacy. For our Hannah’s House moms, this offers an additional one to two years of continued programming, coaching and guidance.

The luncheon will take place at Windsor Park Conference Center in Mishawaka on Wednesday, May 10 from 11:30 a.m. – 1:30 p.m. We are honored that our inspirational guest speaker for the luncheon will be Kathy Wonderly, local business owner and advocate.

Please join us in honoring Paqui by becoming a sponsor for this event and completing the attached form. Paqui offers “Hope” to those at-risk, but our success is made possible by the loving, generous support of our community.

Kindest regards,

Pamela Austin
